

How to log in to Google Classroom from a Personal Device

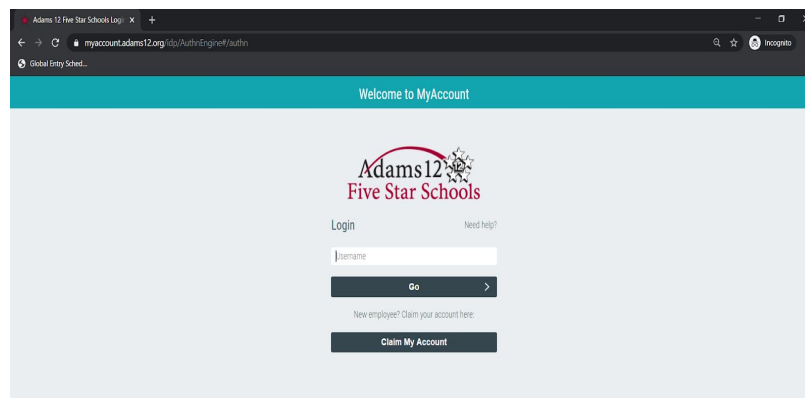

1. Open the Google Chrome Browser.

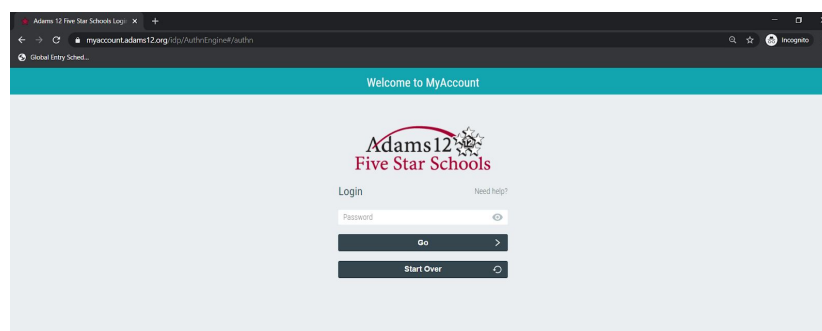

2. Type myaccount.adams12.org in the url bar.

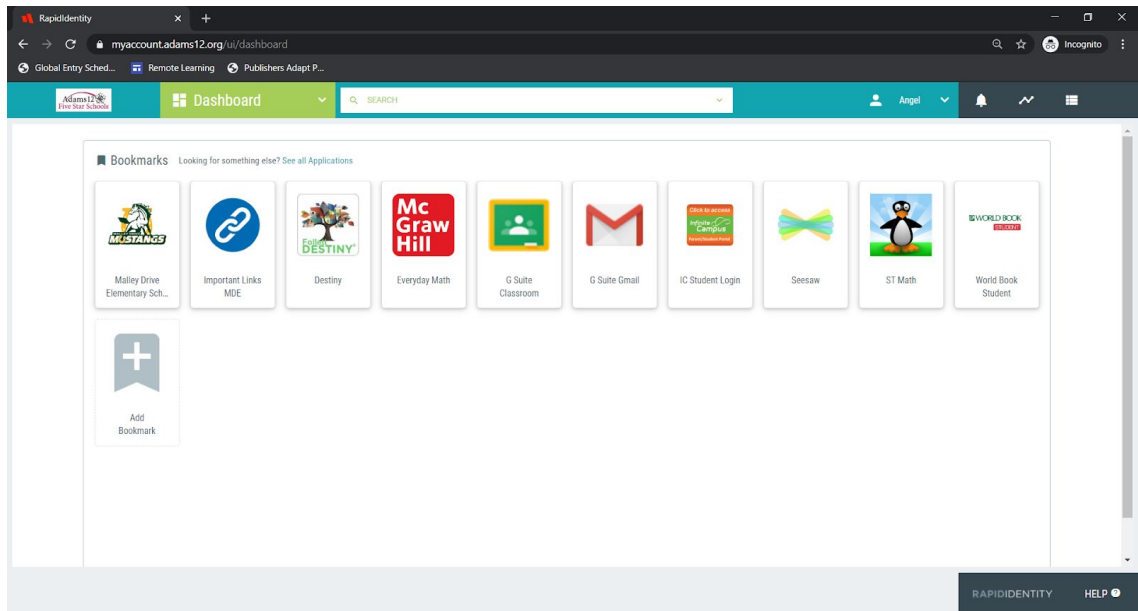

3. Now log in to your Google Account. First, type in your username. It is your Student ID/lunch number (this number usually starts with a 3). Click Go.

4. Now type in your password. Remember to click the eye to see what you typed before clicking Go.

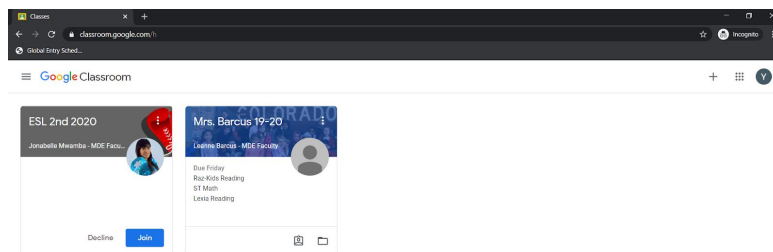

5. Now you will see the Dashboard or Student Portal.

6. Now click on G Suite Classroom .

7. Welcome to your Google Classrooms!

8. Click on the class name to enter the classroom.
Go to Stream for announcements. Go to Classwork for assignments.
